

It's my absolute pleasure to recommend Lauren Schultz. Lauren and I worked together at Kent State University Libraries - Marketing & Communications department, where I was her direct supervisor from August 2019 - May 2022.

I thoroughly enjoy my time working with her and came to know her as a truly valuable asset to any team. She is incredibly hard-working, honest, and dependable. Beyond that, she is an impressive graphic designer and problem solver who is always able to address difficult tasks with creativity and confidence. Lauren is inspired by challenges, and never intimidated by them.

Along with her undeniable talent, Lauren has always been an absolute joy to work with. She is a true team player, and always managed to foster positive feedback and bring the best out of our other student graphic designers. Her knowledge of the Adobe Creative Cloud applications and her expertise eye for design was a great advantage to our department.

I confidently recommend Lauren. As a dedicated and knowledgeable graphic designer and an all-around great person, I know that she will be a beneficial addition to any program or organization.

Please feel free to contact me at 330-672-1852 should you like to discuss Lauren's qualifications and experience further. I'd be happy to expand on my recommendation.

Sincerely,
